

LARK RISE AGM.

Our AGM was held last Wednesday, 8th October, in the Learning Resource Centre. The meeting offered the opportunity to reflect on the progress and achievements of Lark Rise over the past year and to welcome some new members.

A significant part of acknowledging where Lark Rise is, as a new and growing PTA, was the official adopting of our constitution. The Chair, Karen Turner, then gave her report which included a summary of fund-raising events organised by Lark Rise, how funding has been used to benefit the school and other contributions we have made in the form of working parties and as a presence at school events. The Chair also described her aims for Lark Rise over the forthcoming year and thanked the other officials of the committee and all parents who had been involved with Lark Rise's activities in any way. She also thanked the Head Teacher, Chris Harris, for his continuing support as well as other members of staff and the chair of governors who have supported Lark Rise over the course of the year.

The Treasurer, Celia O'Hara, then gave her report, giving a detailed breakdown of funds raised and how the money had been spent.

The committee officials were officially proposed and re-elected **as follows:**

Karen Turner, Chair
David Busby and Sally Beer, Vice Chair
Sara Organ, Secretary
Celia O'Hara, Treasurer
Nic Wilkinson, Events Coordinator

The role of this web-site was a key feature of Any Other Business! We hope you will find useful information here and use the web-site as a forum for your views, as a place to share information with other parents and to have your questions answered.

The next Lark Rise committee meeting is on October 20th in the Learning Resource Centre at 7.30pm. As ever, all are welcome!
