

Lark Rise Update

Quiz Night

Do you like to win? Would you like to raise money for the school? If the answer is yes to either of these questions, then our next fundraising event may be for you. The Lark Rise Quiz Night will be held on **Friday 9th November at 7.30pm** in the main hall. There will be prizes for the team that finishes 1st, 2nd, 3rd and of course last overall. If all else fails, we have some fantastic prizes to win in our raffle, so there is every possibility that you won't leave empty handed. We hope this event will be as much fun and raise even more money for the school. If you would like to make suggestions as to how we might spend this or future money we raise, please write to Lark Rise via the school or email larkrise.4125@larkmead.oxon.sch.uk.

Working Parties

During the summer a group of parents painted a set of boys & girls toilets used by year 8 pupils. Everyone who helped out said they'd enjoyed the experience and were happy to have saved the school the cost of this refurbishment. Keep a look out on the website for photos.

Skills Database

We appreciate that not everyone will want to be actively involved in the Lark Rise committee, but may be willing to share specific knowledge or a skill for the benefit of the school. The possibilities are endless but suggestions might be: scenery painting, set building, gardening, carpentry, plumbing, design, publishing, fundraising etc. If you would like to help Lark Rise or the school by sharing your knowledge please write to Lark Rise via the school office or email larkrise.4125@larkmead.oxon.sch.uk.
