

Lark Rise

Welcomes New Parents

The Lark Rise committee would like to extend a very warm welcome to you, as you consider whether Larkmead School will suit your child. Lark Rise is a thriving parent & staff association linked with Larkmead School. Our aim is to find creative ways to support parents/carers, students and the school community. We actively encourage new parents/carers to get involved with Lark Rise as it is a great way to meet others and find out more about the school. We organise the usual range of fundraising & social activities and are always open to new ideas. We also support the school at open evenings and events, as well as giving feedback about parents' views.

Meetings

Our meetings are relaxed, sociable and held on different nights of the week during term time, to ensure everyone can attend. There is no requirement to attend regularly, just come along when you can. This offers a great opportunity to meet other parents/carers and no one is ever asked to do something they don't want to. There is often a member of staff present and you might even get a chance to meet the Head or the Chair of Governors as they regularly drop into our meetings.

Fund Raising & Social Activities

Lark Rise have recently funded improvements to the décor of the school and extra curricular activities. We raise money by holding a number of social events which include: barn dances, quiz nights, bingo evenings & coffee mornings/afternoons.

Communication

We keep parents informed by email, our slot in the school newsletter and the Lark Rise website. If you have questions about the school that you prefer to ask of a parent already at Larkmead please email:

info@lark-rise.org.uk
www.lark-rise.org.uk

Please keep me informed about Lark Rise...
